MOUNT ZION EVAN. U.B. CHURCH - 1872 - Northeast corner of Mount Zion and Black Rock Roads. Built in 1872 on a lot formerly used by the log structure known as old Cullison's Meeting. Various additions. Brick, in Victorian Gothic style. Gable roof; square tower. It was extended 10 feet and provided with the tower in 1892; a 600-pound bell was also installed. (B.C. Dem., July 14, 1892) At first it was a United Brethern Church, but in 1968 merged with other United Methodist Churches.
